- Brass

What we do

Expo & Event Branding

Expo and event branding are effective ways to launch or promote your business and product(s) to the market. Giant banners, stand signage, cut out letters and logos, digital screens, product packaging, vinyl on glass, graphic walls, branded fencing are only a few of the tools that you can employ to convey messages around an event space. In order to find the best solution for you and your company, there are a number of questions to be asked before you make your choice of product, for example: is your event indoors or outdoors and how many people do you expect? The answers to these questions will determine what will work best for you and your company. Get in touch with us to assist you in maximizing your exposure.

- Flags
- Banners
- Gazebos
- Printed Mesh Fencing
- Tshirts and Headwear
- Stand Signage
